SUMMARY

Goal-oriented person with 1.5+ year of java learning. I continuously study new technologies and able to independently find solutions to emerging issues. I am active and responsible teamplayer. I am passionate about programming and want to develop as a Java developer.

SKILLS

Java Spring Boot Spring MVC Spring Data JPA Spring Caches Spring AOP
Spring Security Basics Hibernate JDBC SQL/Postgresql Maven Swagger
JUnit5 AssertJ Mockito Git GitHub Sonar Cloud IntelliJIDEA

LANGUAGES

Russian - Native

English - C1 (listening, reading), B1 (speaking) | <https://www.efset.org/cert/XSSXSK>

GITHUB PROJECTS

Booking-App

RESTful Java Web Application powered by Spring Boot

Project created during training at IT-Academy and includes all studied technologies

For more information see: <https://github.com/Pavel-Kuropatin/Booking-App>

EDUCATION

IT-Academy - [it-academy.by](#) (04.2021 - 08.2021)

ID2 Course - Java Enterprise Development

Trainer - [Viachaslau Kalevich](#)

Self-learning Java (03.2020 - current)

- JavaRush - javarush.ru/users/2320603
- Spring Framework - spring.io
- Head First Java, 2nd Edition, 2005
- EPAM Java WebDevelopment Conspect, 2015
- Java from EPAM, 2020
- Clean Code: A Handbook of Agile Software Craftsmanship, 2019

Belorussian-Russian University - Master's Degree (2016 - 2018)

Mechanical engineering

Belorussian-Russian University (2010 - 2015)

Mechanical engineering

EXPERIENCE

IT-Academy - Internship (04.2021 - 08.2021)

- Develop RESTful Java Web Application - [Booking-App](#)
- Learned to develop web applications on Java with modern technologies such as Spring Boot, Spring Data, Spring Security, SQL, Maven, Git

JSC "Soligorsk Institute of Resources Saving Problems with Pilot Production" - Design Engineer (08.2015 - 12.2020)

- Development and continuous enhancement of pilot production of various equipment
- Perform structural analysis
- Design control of manufactured products
- Participation in research development
- Participation during commissioning and installation of equipment
